ABOUT US

Our Mission

The mission of the Mexican American Bar Foundation, a Section 501(c)(3) charitable organization led by volunteer lawyers and judges, is to remove barriers to opportunity and success in the legal profession by awarding scholarships to law students.

We are dedicated to assisting students attending ABA-accredited law schools in Los Angeles, including Loyola, Southwestern, UCLA, and USC. Our scholars are selected based on their academic achievement, leadership, community engagement, financial need, and the strength of their personal and life experiences. Many of our recipients are the first in their families to pursue higher education, and the Foundation values the resilience and ambition reflected in those journeys. Through our scholarship awards, we strive to recognize their accomplishments and support them as they advance toward their professional goals.

OUR HISTORY

34 Years of Service

With annual tuition starting in the \$54,000 range for public and private institutions alike, law school is expensive. Since our founding in 1991, the Foundation has awarded over \$4.6 million to law students in the form of over 644 scholarships and bar stipends.
